

A mobile app mockup for a contact form. The app is displayed on a grey smartphone frame. The screen has a blue background. At the top left, there is a home icon and a back arrow icon. The title 'Contact Informatie' is centered at the top. Below the title are three white input fields: 'Name \*', 'E-mail \*', and 'Telephone'. Below these fields is a large white multi-line text area. At the bottom right, there is a circular button with a blue 'X' icon and the text 'clear message'. At the bottom center, there is a white button with the text 'Verstuur bericht'.
